CONSIDER IT: Tests & Quizzes

Why use Sakai’s Tests & Quizzes tool?

Instructors can prepare assessments in advance to minimize grading time during the semesters, and can import and re-use assessments between Sakai sites.

Students can receive quick feedback and take assessments from anywhere with an internet connection.

Use Tests & Quizzes to
Design and deliver re-usable assessments in a way that maximizes security and minimizes grading time.

Question types:
- essay
- multiple choice
- true/false
- short answer
- audio uploads
- fill-in-the-blank
- survey
- matching
- file uploads
- calculated formulas

Questions and responses can include:
- uploaded files, graphics, video, audio, text, and formulas
- fill-in-the-blank

Get Started!

1. Log into Sakai, select your COURSE, go to SITE INFO > TOOLS
2. Add the TESTS & QUIZZES tool
3. Click “Tests & Quizzes” in the sidebar
4. Choose an option to “Create an Assessment”
