

Create your 2-Step verification account

Follow these steps to set up an account for 2-Step verification. You only need to do this once.

1. Go to onyen.unc.edu and click **Register and Manage 2-Step Verification**.
2. Sign in with your Onyen or guest ID and password.
3. From the Register & Manage 2-Step Verification screen, click **Start Setup**.
4. Do one of the following:
 - If you have a social security number (SSN): enter your PID, numbers only, (or click **Forgot your PID?** to look it up), the last four digits of your SSN, and your date of birth (mm/dd/yyyy).

Protect Your University of North Carolina at Chapel Hill Account

Two-factor authentication enhances the security of your account by using a secondary device to verify your identity. This prevents anyone but you from accessing your account, even if they know your password.

This process will help you set up your account with this added layer of security.
